Transit Authority

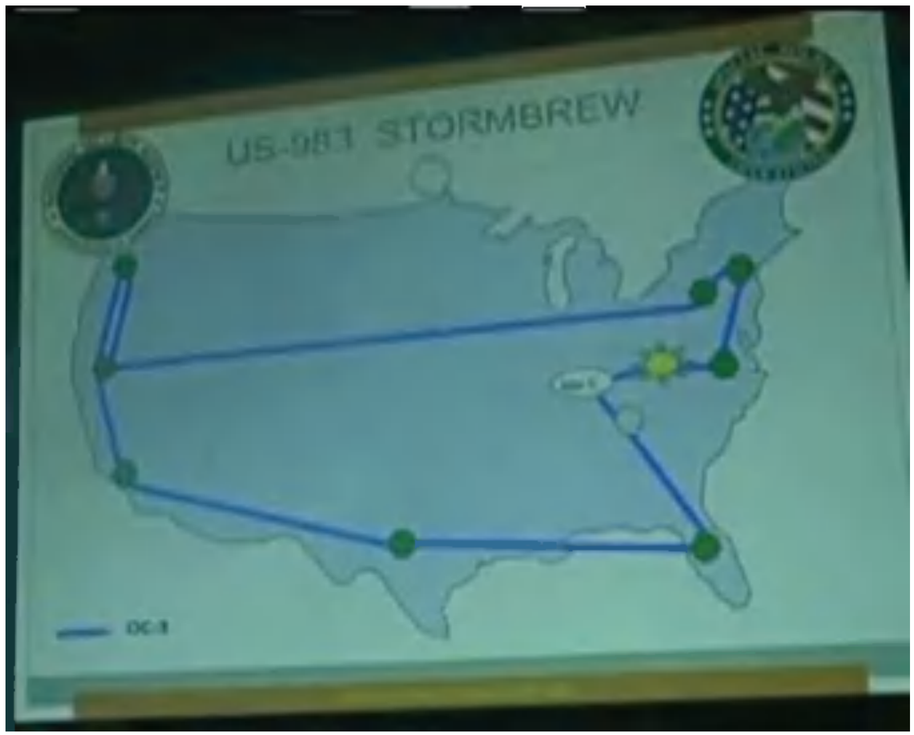

- [illegible] Communications must be confirmed foreign-to-foreign.
- (S//SI) Filters at front-ends to ensure only authorized traffic is forwarded to the DNR and DNI selection engines.
- (S//SI) Occasionally the TOPI discovers that one end of the intercept is actually in the US. We refer to this as a "domestic incident".
- (C) TOPIs must inform SSO Corp Team when this occurs via email alias DL SSOTransit_CM. SSO files a formal report to NSA/SV for each occurrence of a domestic incident.
